

ON COURSE @ DEER PARK

- NOVEMBER 2019 -

Allan and the Pro Shop staff along with Leo, Stu and the entire course maintenance crew thank the membership, guests, and staff at Deer Park Golf Course for another great year of golf!

Special thanks to all the volunteers who donated their time this season, have a great winter!

COURSE UPDATE

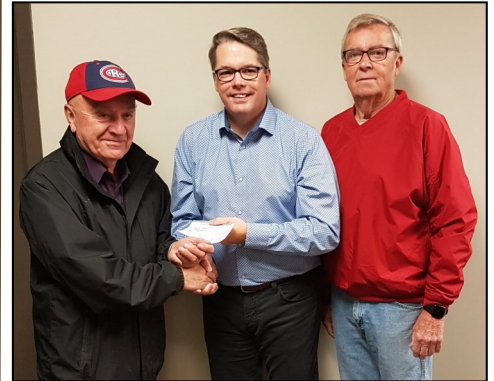

2019 Projects:

- New #7 green, New #8 hole from tee to green
- Extensive irrigation system upgrades including new heads and control wiring. This will continue in 2020.
- Replaced septic tank and line from the clubhouse.
- Replaced collapsed water intake system at the Ecological Preserve pump house bringing that pump back online to support the irrigation program.
- New roadway paving.

Thank you to Larry Harris for his hard work and dedication to the Deer Park Pro Shop for the last 5 years.

Good luck to Larry with his move to Alberta.

THANK YOU TO DEER PARK SENIOR MEN'S CLUB

For the donation of \$8,000 towards the #2, #3, & #4 cart paths at Deer Park Golf Course

THANK YOU TO DEER PARK MEN'S CLUB

For funding the construction of the new #7 Green & trees.

14 Spruce and Pine trees were planted on holes #7 & #8.

New #7 green (below) & #8 hole (left) Tentative opening first week of June 2020, pending winter turf health and spring weather. Work on the traps and cart paths will be completed in the spring of 2020.

Contact Allan to book events for 2020 or purchase merchandise at asuser@golfdeerpark.com

Gift cards can be purchased year round from the Community Development, Parks & Recreation administration office at the Gallagher Centre.

A SaskTel cell tower is currently under construction south of hole # 15.

Roadway paving was completed to enhance the entryway into the golf course.
