

# ON COURSE @ DEER PARK

- APRIL 2020 -

## Deer Park Golf Course is closed until further notice due to COVID-19.

The health and safety of our visitors and employees is our top priority.

The City of Yorkton is constantly reassessing COVID-19 developments to ensure the safety and well-being of staff and citizens. Working under the guidance of the Provincial Medical Health Office, we continue to assess the way we deliver public services following the decision to close City of Yorkton recreation facilities.

- Deer Park Golf Course is closed to the public, including the pro shop and restaurant.
- Golf courses do not qualify as a critical public service or allowable business service during this outbreak as they are classified in Saskatchewan as a recreational facility.
- Staff will continue to work to have the course ready for the regular May 1 opening date.
- Any public opening will be reviewed as part of the ongoing assessment of public services and is subject to Provincial government approval.
- Fees and charges have been approved for 2020, however sales have been suspended until such time as approval is received to open the course.
- Pro-rated season passes will be considered as required.
- Any scheduled tournaments, including club group events like Men's and Ladies Nights, are considered tentative at this point pending appropriate government approvals.
